**Please note, we have cleared out some of the “older” prayer requests that have been listed for more than 30 days. If you would like something placed back on the list, please fill out a new prayer request card with an update or send the office an email. The prayer team would love to hear updates on the prayer requests so we know how to best pray for you. If you would like a name to remain on the list until you tell us to take it off, please include that on the request as well, otherwise they will be removed in 30 days. Thank you.**

Thank you so much for the phone calls, messages, cards, prayers and the beautiful flower arrangement sent to me during my foot surgery recovery. Recovery is going well (with a few minor complications along the way) but we’re getting through it with your prayers.

*Blessings, Jen Bubb*
